

Hello, I'm Bleu;
This is our Portfolio

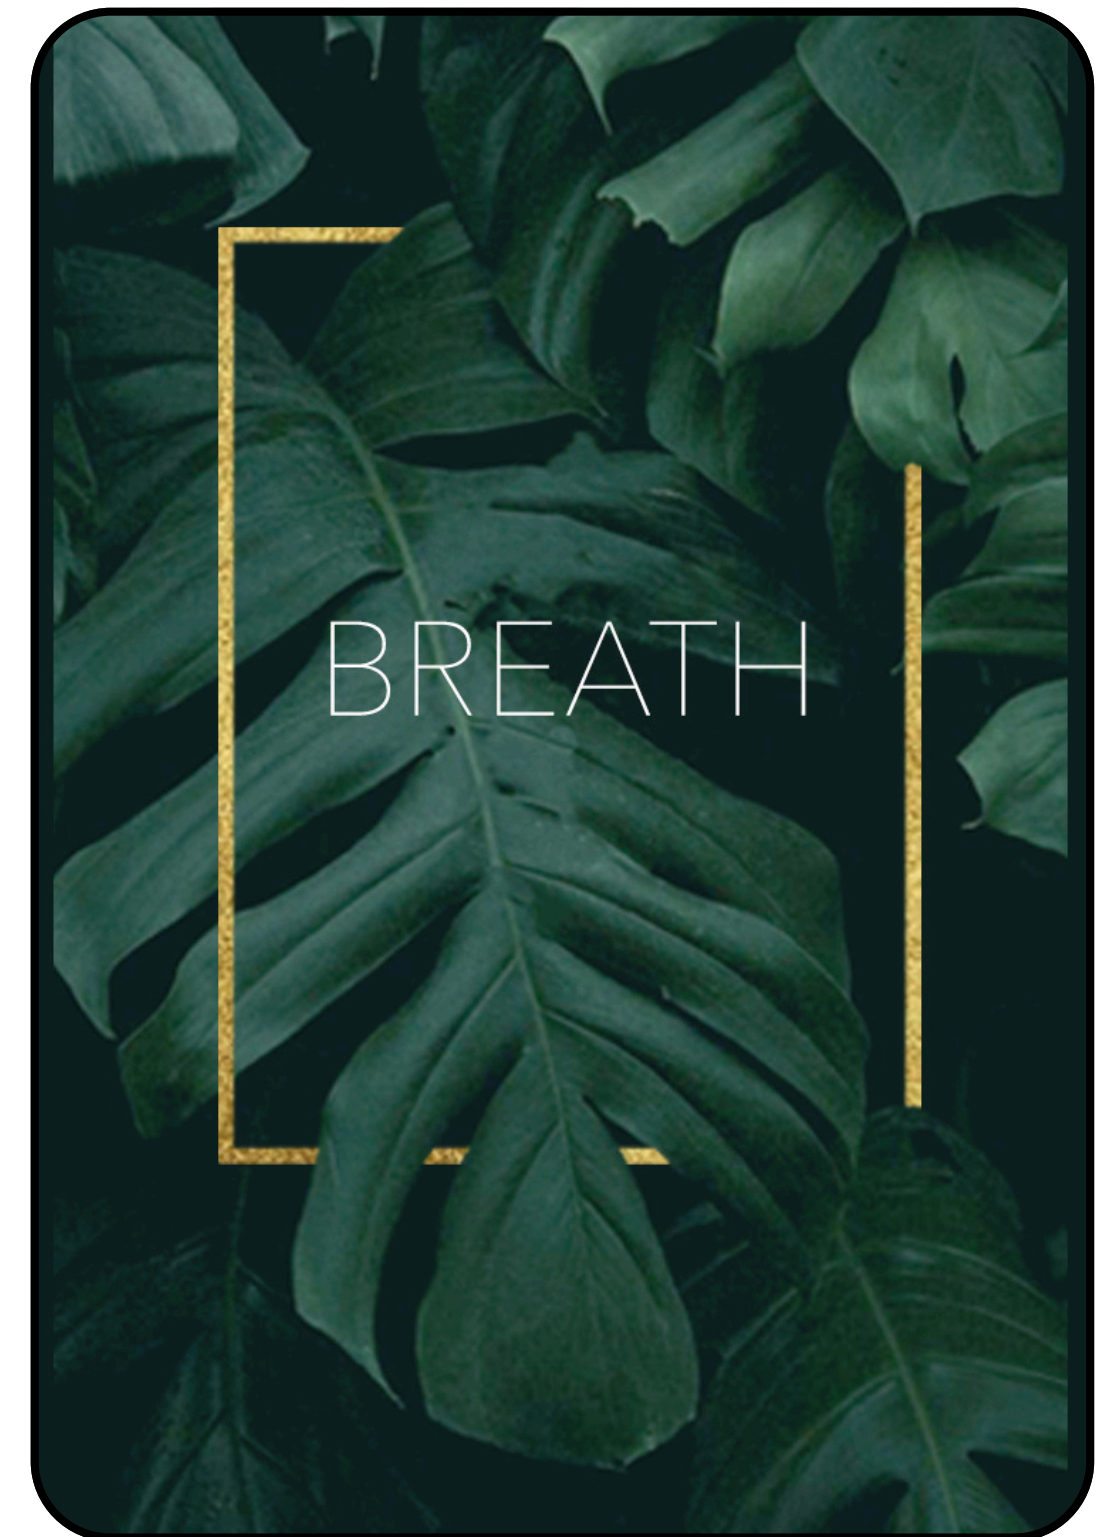

VeloCity

VeloCity is an urban bike-sharing service designed to provide an eco-friendly and cost-effective transportation solution for city commuters, tourists, and environmentally conscious individuals.

Tranquil Haven Retreats *

Tranquil Haven Retreat is a wellness centre offering a serene escape for individuals seeking relaxation, rejuvenation, and mental clarity. It caters to those looking to disconnect from daily stress and immerse themselves in a peaceful environment focused on well-being and self-care.

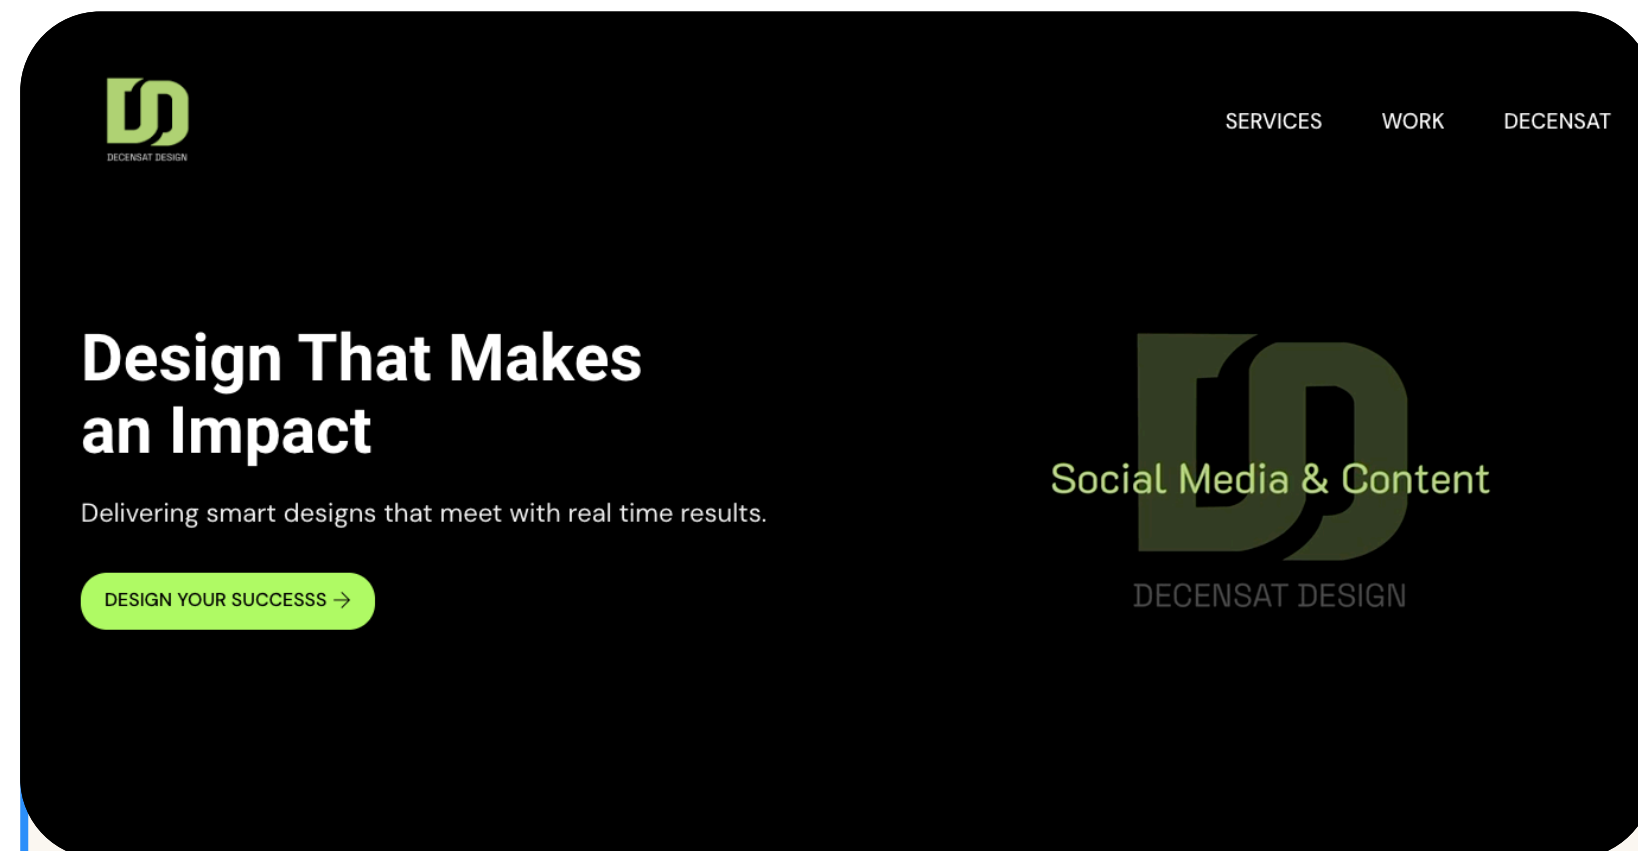

TEC

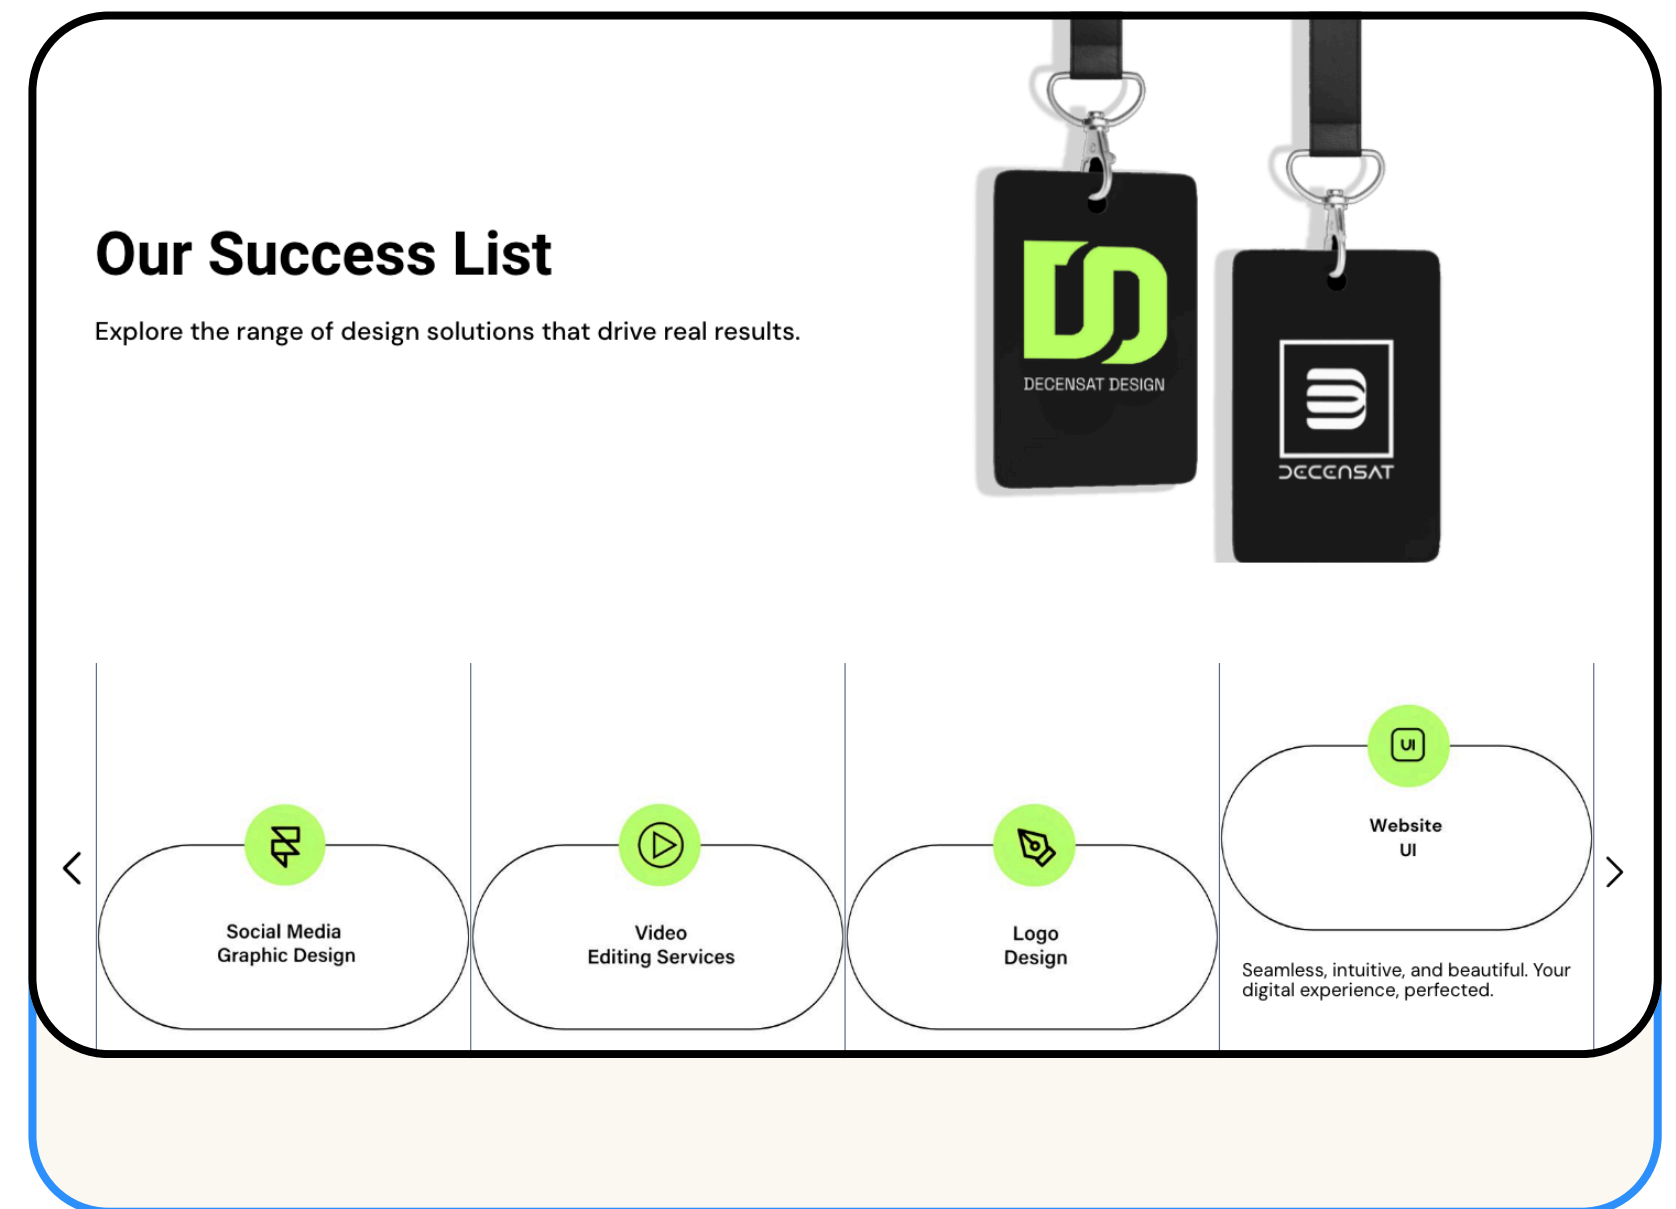

The Entrepreneur in Training is an apparel shop that offers more than just merch—it grants access to an exclusive community for bold, disruptive entrepreneurs.

Decensat Design Development

Decensat Design Development is a design agency that embraces the raw, unrefined essence of creativity, pushing the boundaries of traditional design to create bold and authentic solutions. It caters to startups, creative industries, and non-conformist brands seeking to break away from conventional aesthetics and make a striking visual impact.
